EDUCATION

Massachusetts Institute of Technology <i>Mathematics & Computer Science</i>	Cambridge, MA
Adlai E. Stevenson High School <i>High School Diploma (GPA 4.0/4.0)</i>	Lincolnshire, IL
Harper College <i>MTH 220 - Discrete Mathematics (Grade A)</i>	Palatine, IL

HONORS AND AWARDS

USA International Olympiad of Informatics (IOI) Gold medal, 7th place (2026)
USA Mathematical Olympiad Summer Program (MOP) Participant (2024); USA Mathematics Olympiad (USAMO) Bronze medalist (2025 & 2026)
USA Computing Olympiad (USACO) Finalist (2024 & 2026)
USA Physics Olympiad (USAPHO) Bronze medalist (2024); Honorable mention (2026)

EXPERIENCES AND EXTRACURRICULARS

Member of Technical Staff Intern (Full-Time, Paid) <i>Liquid</i> - Developed and tested features for Swift and React Native trading applications - Analyzed notification infrastructure to support product improvements - Collaborated through GitHub, code reviews, and release testing - Implemented an activation and re-engagement system for new and inactive users	Summer 2026
Summer Student (Full-Time, Paid) <i>AbbVie, R&D, Dept. of Quantitative Translational & ADME Science</i> - Collaborated on a pilot deep learning project for biologics pharmacokinetic prediction - Used Python to integrate data from multiple sources and support predictive modeling - Applied AI and computational biology methods in a pharmaceutical research setting	Summer 2025
Summer Student (Full-Time, Paid) <i>AbbVie, R&D, Dept. of Quantitative Translational & ADME Science</i> - Conducted proteomics analysis for an ulcerative colitis research project - Applied programming and bioinformatics skills to analyze biological datasets	Summer 2024
Mathematical Modeling Team <i>High School Math Club</i> - Conducted math modeling research projects using statistical data analysis to solve real-world problems - Modeling the Future Challenge: Semi-Finalist (2025) - MathWorks Math Modeling Challenge: "Successful in Triage" Award (2025)	August 2024 – May 2026

TECHNICAL SKILLS

MIT Courses: 6.790, 6.7960 (Fall 2026)
Languages: C++, Python, Java, HTML, CSS, JavaScript, R, Swift
Frameworks: React, Node.js
